_____ (the "Client"),
and **MarketCycle Wealth Management, LLC** (the "Advisor").

RECITALS

WHEREAS, the Advisor offers an investment advisory Service for the management of investment accounts pursuant to which investment advice and such securities are provided by the Advisor, which is registered as an investment advisor pursuant to state securities laws and regulations; and WHEREAS, the Client wishes to subscribe to the Advisor's advisory service under the terms and conditions set forth below after communication with representatives of the Advisor in order to discuss the stated investment objectives of the Client (any change in these objectives shall be promptly communicated in writing to the Advisor). NOW, THEREFORE, in consideration of the promises and mutual covenants hereinafter contained, the Client and the Advisor agree as follows:

Agent and Attorney-in-Fact

The Client hereby authorizes the Advisor as its agent and attorney-in-fact to supervise and manage the investment and reinvestment of the property subject to the Agreement for the client's account and risk, and in the Client's name or number. In connection therewith, the Advisor shall in its discretion, sell, exchange or otherwise dispose of any property subject hereto; retain property; invest and reinvest the proceeds of any sale and any monies deposited herein and purchase and acquire therewith securities as it shall select, including any leveraged products; or any other kind of property which it deems suitable to meet the needs and investment objectives of the Client; hold un-invested such part of the funds for such periods as it shall determine to be reasonably necessary, without being required to earn or pay interest thereon. The Advisor shall be authorized to act for the Client in the same manner and with the same force and effect as the Client might or could do with respect to such investment and reinvestment, as well as with respect to all other things necessary or incidental thereto, except that the Advisor shall not be authorized to take or receive physical possession of any of the assets under its supervision. All assets of the Client to be monitored by the Advisor (the "Account") shall remain in the physical possession of an appropriate bank or other financial institution, which shall operate in the capacity of a custodian (the "Custodian").

Liability

The Advisor agrees to manage the Account pursuant to the Agreement, as set forth in paragraph one (1) above. In managing the account, the Advisor agrees to utilize its best judgment and efforts for the Client's benefit. The federal and state securities laws impose liabilities under certain circumstances on persons who act in good faith, and therefore nothing herein shall in any way constitute a waiver or limitation of any rights which the undersigned may have under any federal and state securities laws. The Advisor shall not be liable for any action taken or omitted except in the case of its own negligence, misconduct, or lack of good faith; provided, however, that the Client shall not be deemed to have waived compliance to the Advisor with any provision of the Act or with any rule, regulation or order there. The Advisor shall have no responsibility for any acts of omissions in connection with the Custodian's collection of interest and dividends, if any, or the reports of the Custodian to the client or others.

If a particular purchase or sale shall be advisable for more than one client advised by the Advisor, the Advisor may place the same or similar orders for all such clients. In such circumstances there can be no assurance that all such orders shall be wholly or partially executed, or that the prices at which such orders are executed will be uniform. Accordingly, an order placed for the Client may not be executed while similar orders placed for other clients advised by the Advisor may be executed. The Client acknowledges that the advice given by the advisor shall be the confidential property of the Advisor and the Client agrees that it shall not disclose such advice to third parties without the prior written consent of the Advisor.

No party to the Agreement shall be liable to any third party in any way for any such unauthorized contract or agreement or for a negligent act or omission of the other party hereto.

The Agreement shall be binding upon and inure to the Client's successors and assigns; however, the Client shall not delegate or assign any of its duties or rights hereunder without the Advisor's prior written consent. Any delegation or assignment without such prior written consent shall be null and void. In compliance with Section 205(2) of the Act, no assignment (as that term is defined in Section 202(a) (1) of the Act) of the Agreement shall be made by the Advisor without the prior written consent of the Client.
